Calgary Rowing Club

Presents

Alumni Reunion 2013

Evening Program

June 30, 2013

7:00 PM

CRC Banquet Hall

Welcome!

Since its inception in 1966 the Calgary Rowing Club has produced world class athletes and provided a community for members of all skill levels to participate in their love of rowing. While the CRC boasts a respectable fleet of boats and beautiful body of water, the major strength of the club has always been the people who are a part of it. The individuals who put in their blood, sweat, and tears – not only on the water but also while establishing the foundations of the club, expanding our programs, and contributing to our daily operations. The athletes who have represented Calgary at the international, national, and provincial levels. The alumni who have created our history, and the current members who are carrying the legacy on. Tonight we are here to celebrate the people of the Calgary Rowing Club past and present, and look towards to a greater future.
